

## The DIY Guys

### List of Jobs & Tasks for DIY Packages

V1.1

This is a comprehensive list typical DIY jobs and tasks that **The DIY Guys** offers under the monthly service package. These jobs are ideal for property owners needing help with minor home maintenance, repairs, and odd jobs — perfect for busy households, seniors, or anyone who lacks tools, time, the tools, or the confidence in DIY.

All jobs and tasks will be completed using **The DIY Guys** nominal labour (30mins per job/task) and using traditional DIY tools. Extended labour time as well as heavy duty tools needed to be hired will be charged for.

All materials used for the DIY jobs and tasks requested must either be supplied or, on request, will be supplied by **The DIY Guys**, and which will then be billed separately once the DIY job or task is complete.

#### General Repairs & Maintenance

- Tightening loose door handles or cupboard knobs
- Fixing squeaky hinges
- Replacing or tightening loose screws
- Repairing or replacing door stoppers
- Adjusting cupboard doors or drawers
- Patching small wall holes or cracks
- Securing loose floorboards or skirting
- Fixing a jammed drawer
- Lubricating stiff locks or hinges
- Replacing broken or cracked tiles (small patch jobs)

#### Electrical

- Replacing light bulbs (internal or external)
- Installing or replacing light switch covers
- Mounting battery-powered lights
- Replacing doorbell batteries or chimes
- Installing or replacing a plug
- Tidying exposed or loose extension cords with clips

Note: No full electrical rewiring or DB board work

## Plumbing (Minor Fixes Only)

- Replacing tap washers to stop dripping
- Tightening or reseating a loose tap
- Clearing blocked sink or shower traps
- Replacing a shower head
- Installing or replacing toilet roll holders or towel rails
- Sealing minor leaks with silicone/sealant

Note: No geyser, toilet tank, or pipe replacements

## Wall-Mounted Fixtures & Hanging Jobs

- Hanging picture frames, mirrors, or artwork
- Installing floating shelves
- Mounting curtain rails or blinds
- Hanging clocks or wall planters
- Installing key holders or wall hooks
- Mounting small TVs (if wall type and bracket supplied)

## Windows, Doors & Fixtures

- Replacing window latches or handles
- Installing or fixing door chains or peep holes
- Replacing shower curtain rails or tracks
- Adjusting internal doors that are sticking
- Applying weather strips to drafty doors
- Replacing sliding door rollers (if accessible)

## Exterior & Garden Maintenance (Light Jobs)

- Cleaning gutters (up to 5m length, ground floor only)
- Resealing window frames (silicone)
- Installing hose reels or wall brackets
- Fixing gate latches or padlocks
- Hanging a bird feeder or garden lights
- Assembling a garden bench or small shed
- Reattaching loose fence panels
- Mounting a house number or mailbox
- Installing Bird-Proofing Strips/Spikes

## Assembly & Flat-Pack Builds

- Assembling flat-pack furniture (chairs, bookshelves, bedside tables)
- Fixing wobbly furniture or securing to walls
- Assembling baby cots, prams, or playpens
- Installing safety gates or stair guards
- Installing small home gym or fitness items

## Cleaning, Sealing & Miscellaneous Tasks

- Cleaning extractor fan filters
- Removing cobwebs in hard-to-reach places
- High-reach light fixture or ceiling fan cleaning
- Spraying for ants/roaches (basic surface sprays)
- Applying silicone in bathrooms or kitchens (max. 2m)
- Filling small cracks and holes in walls
- Touch-up painting of small wall sections or skirtings (paint supplied)
